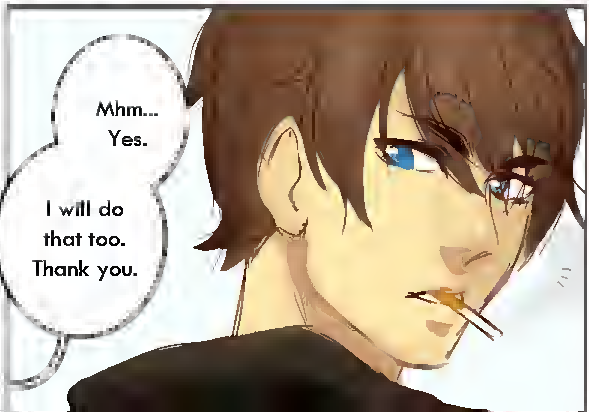
where
Tangents
meet

The newscosters from chonnel 3 will be there. Also, I scheduled your hoir ond moke up ortist to orrive ot 6 o'clock.
Alright, thonk you.
We'll olso

hove some photographers from the studio come in. Will they olso need visitors posses?
I'll hove to check with the heodmosters ogoin, but I'm sure it won't be o problem.
Either way you look at

it, it's promoting the academy.

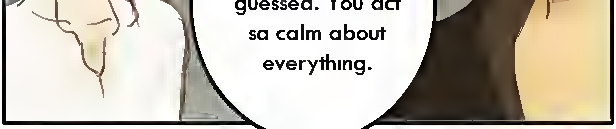


sigh

Ros.
Taiga...

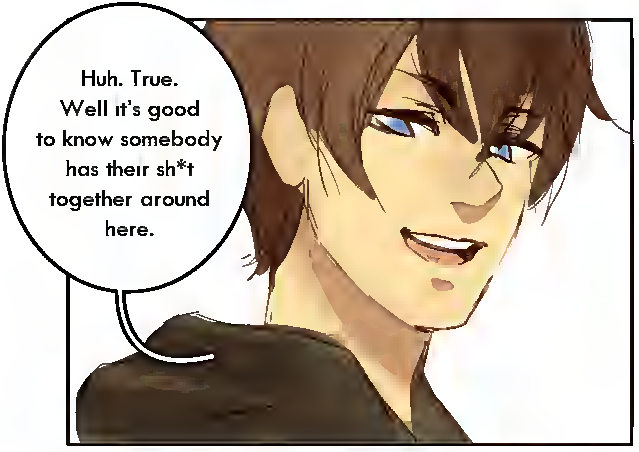
Ah-- Wait a sec. Don't step any closer. Second hand smoke is bad.
...You seem as busy as ever. Are you stressed at all?

step
A little bit, but I'll be fine.
I would have never



guessed. You act
sa calm about
everything.

Well, I am
a paid actress
for a reason.



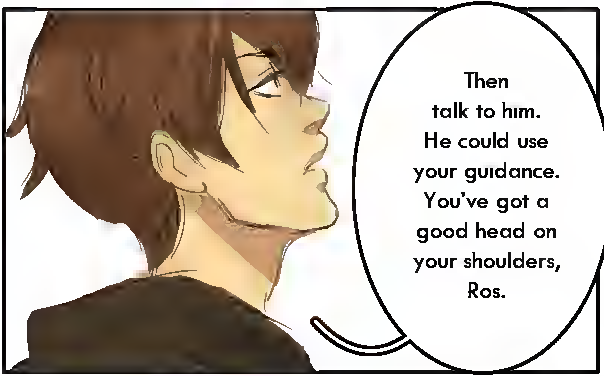
Huh. True.
Well it's good to know somebody has their sh*t together around here.

You could probably teach Donny a thing or two.
...Why? Is London having problems?
Nah, he's

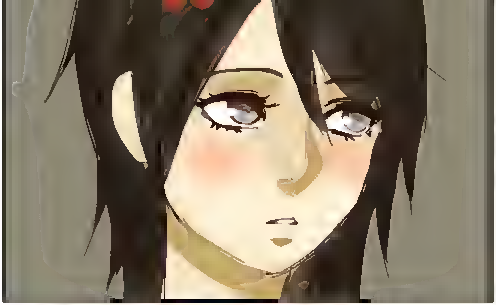
just being... himself again.
He seems so composed all the time. I had no idea... It's like I hardly know my own brother now.
Looks like you both aren't so different

after all.

though.

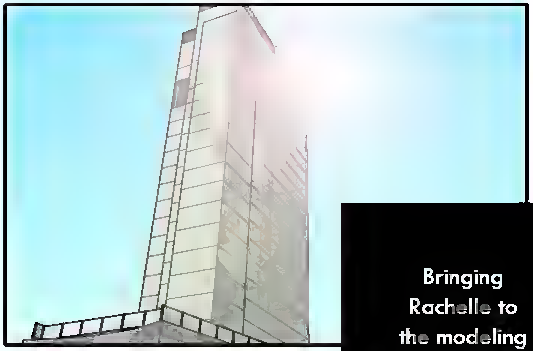


Then talk to him. He could use your guidance. You've got a good head on your shoulders, Ros.

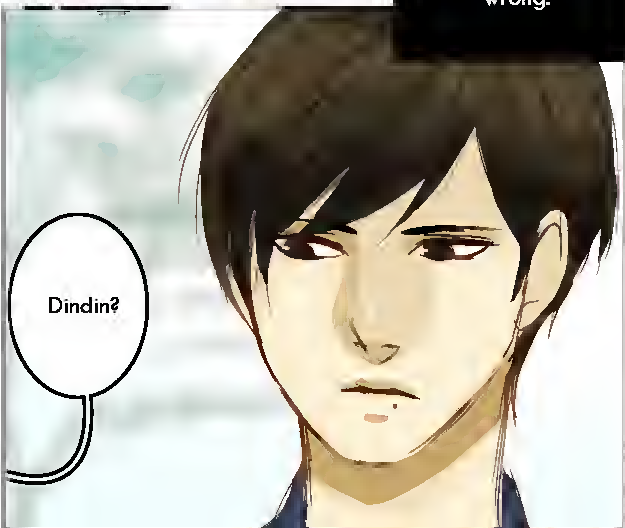


Do you really think so?

Yep. I know so.
Perhaps I was being irrational again.



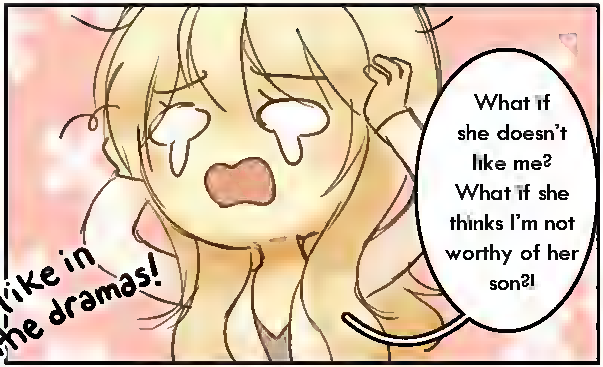
Bringing Rachelle to the modeling agency? There's



oll sorts of things
thot could go
wrong.
Dindin?

Wh-what exactly is your mother like...?

Why? Are you getting nervous?
K-kind of ...

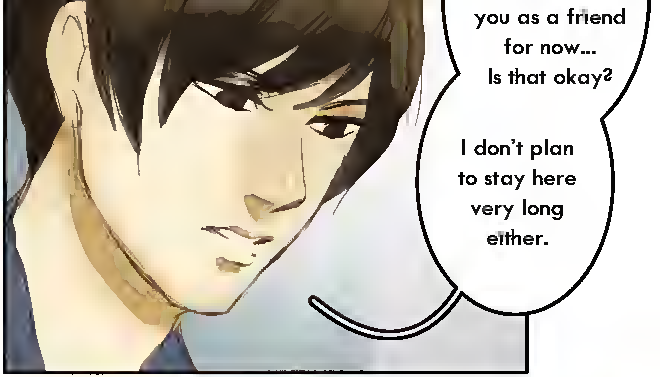


like in the dramas!
What if she doesn't like me? What if she thinks I'm not worthy of her son?!

I'm honestly more concerned about running into any hostile ex-girlfriends.

Hey. Relax, would you?

Anyway, it's probably best that I introduce



you as a friend
for now...
Is that okay?
I don't plan
to stay here
very long
either.

R-right. Yeah, that's probably the best thing to do...

...

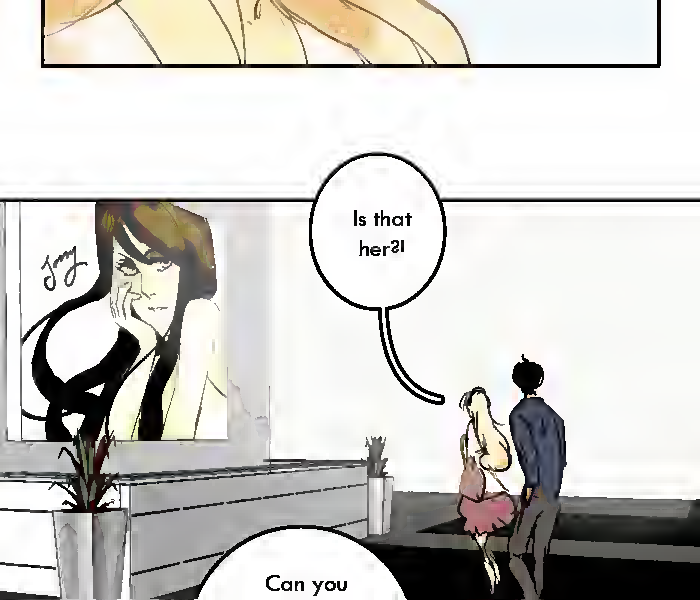
Swiftly

?
Let's get
this over

with then.

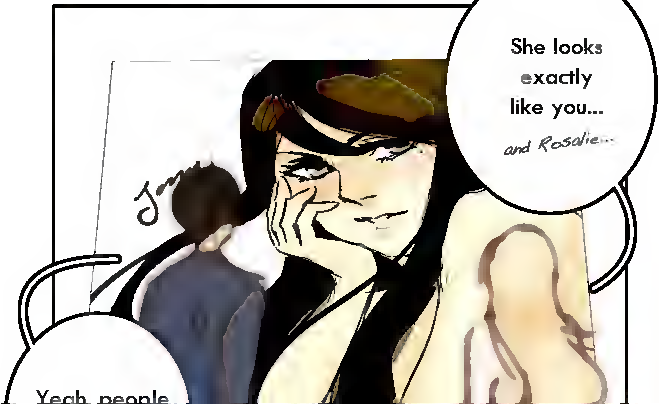
She might come off intimidating at first, but she's actually not too hard to please once you get on her good side.

!



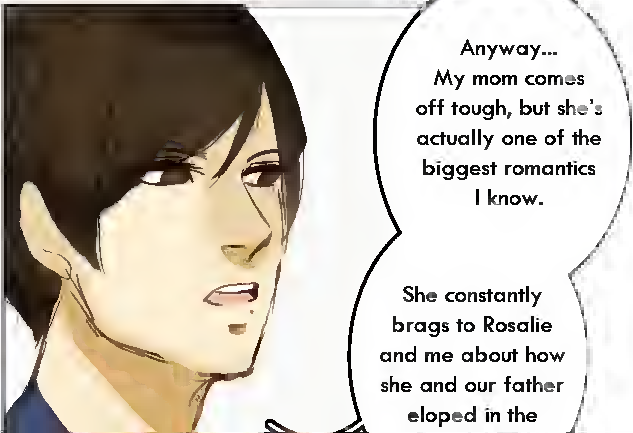
Is that her?!
Can you

tell? That's when she was a lot younger though.



tell me that often.

DON'T CALL ME THAT!



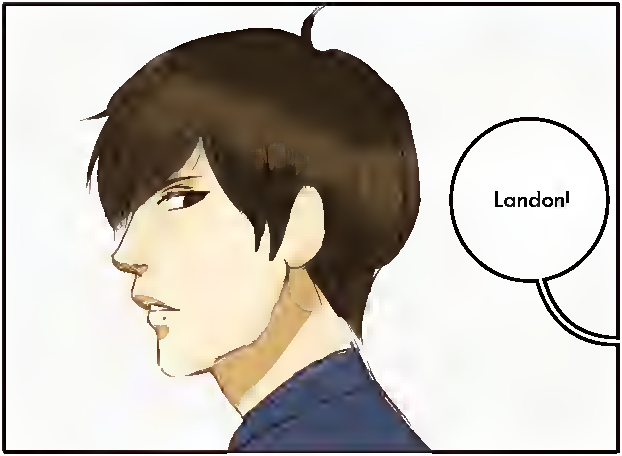
Anyway... My mom comes off tough, but she's actually one of the biggest romantics I know.

She constantly brags to Rosalie and me about how she and our father eloped in the

past.

Rich girl meets poor boy... You know the story. The point is, don't worry about her judging you. She's harmless.
Okay... She seems

lovely.

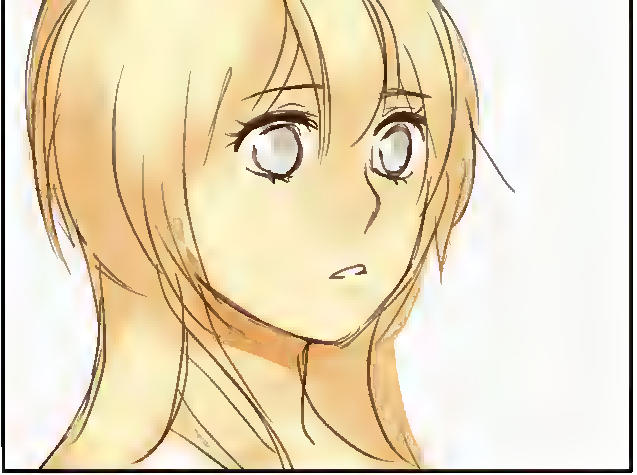


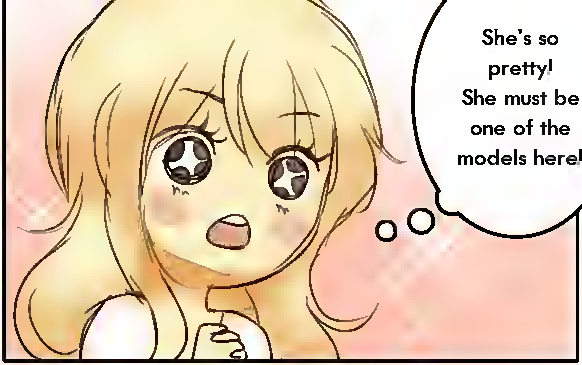
It's been forever!

You're such a tease. How long were you planning to make me wait~?

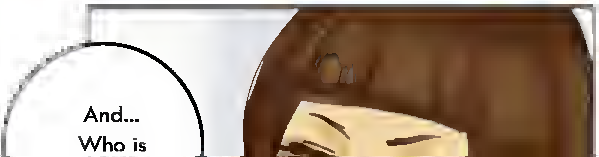
Forever.
But apparently that wasn't lang enaugh.

Dammit. This is the last thing I need right now.

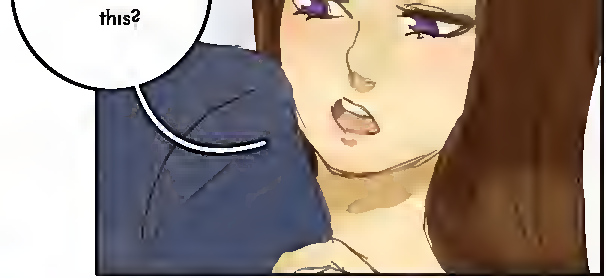




She's so pretty! She must be one of the models here!



And... Who is



this?

Oh! H-hello,
I'm Rachelle.

Oh, so you must be Landon's friend, right? That's nice. I'm Sayo.

Yup! I'm his friend~ Nice to meet you, Sayo!

Um. Actually, no. That's wrong.

She's my girlfriend.

H-huh?
